

RERC on Telerehabilitation State of the Science Conference

June 13-14, 2013

10:00AM - 1:00PM U.S. EST

Thank you for participating in the RERC on Telerehabilitation State of the Science conference. The address for viewing the live webcast is: <http://shrsft6025himc.shrs.pitt.edu/user/StreamingSession/sos>

Audience Participation- Q & A Sessions

Audience participation is strongly encouraged. During the question and answer portion of each session, you are invited to submit questions through the chat box below the presentation window.

Closed Captioning

Please use the "CC Options" below the presentation window to turn on, turn off, or control the font size of the closed captions.

A screenshot of a web browser displaying the RERC on Telerehabilitation webcast interface. The browser address bar shows the URL: http://shrsft6025himc.shrs.pitt.edu/user/StreamingSession/sos. The page header includes the RERC logo and the text "Rehabilitation Engineering Research Center on Telerehabilitation". The main content area is split into two windows: a video window on the left showing a man sitting at a table, and a presentation window on the right showing a slide titled "Sample Presentation" by Andi Saptono. Below the presentation window is a control bar with "Full Screen Options" and "CC Options" (Closed Captioning Options). At the bottom of the page is a chat box with a "Send" button. Two red arrows point from the text labels on the right to the "CC Options" and "Send" buttons.
